

YANKEE CANDLE®

America's best *loved* candle™

Dear Families,

Today starts the “Yankee Candle” fundraiser to support our elementary classrooms for their outdoor education trip (this year it is WOLF CAMP) that happens in the 5th grade. As students raise money each year with this annual drive, they are paying off the OUTDOOR ED trip that is planned for them in the fifth grade. This trip comes in at a cost of about \$350 per student, which can be a large chunk of change. But if each year the students can bring the cost down, it will really minimize the cost to families when their time comes.

In order to get grade level credit for their sales they must complete one of the following two options. Have people order directly through them, complete the required order forms, submit the form and money by 11/22. The purchases will be shipped to IVY for distribution the week before winter break.

Or (my favorite option)

Families can download the “Yankee Candle Fundraising App” on their smartphone or set up an online account and share your individual link with friends and family. (Instructions included with your child’s packet) As customers complete the online ordering process, the purchases are shipped directly to the customer and the student’s accounts are credited for the purchase (EASY OPTION).

Remember 40% of the money generated is given back to our school.

For those completing the order slips with money, WITH NO EXCEPTION, It must be turned in no later than 11/22. If it comes in past that date, they can NOT guarantee the products be shipped to us in time for Winter Break. And remember if you use the SMART PHONE option, the product is delivered directly to the buyer...

Our Group number is: 999996800 (for online orders), this assures that we get the credit.

If you have any questions let me know and I will help you in any way that I can. This is our first fundraiser with Yankee Candle so please be patient as I get answers to questions.
